

Direct Mail

In today's digital world, tangible outreach like Direct Mail creates an emotional engagement with the recipient that is impossible to replicate digitally. Choose your audience from **over 2.8 million nurses** and reach them in a way that is **engaging, familiar and effective.**

MULTI-CHANNEL CAMPAIGN

Combining Direct Mail with campaigns in other Nurse.com advertising channels, such as Social Media, Targeted Network Display or Precision Email, is proven to increase engagement and response rates in all campaigns. Multi-channel campaigns provide you with the opportunity to extend your message and stay front of mind with your nursing audience no matter where they are or what they're doing, resulting in increased traffic and leads and helping you to achieve your objectives.

KEY FEATURES & BENEFITS

- Utilize consistently updated lists of more than 2.8 million RNs
- All address purchases are individually validated through NCOA
- Targeting available by specialty, academic level and age
- Geographic targeting available by city, county, zip code and radius
- RN lists available for rental with options to work with your own mailing house
- Pre-packaged postcard service options available
